

Groves Academy 2022-2023 School Lunch Program Policies and Information

Menus: We prepare fresh, well-balanced, nutritious meals in our kitchen for our students, faculty, and staff. Whenever possible, ingredients are farmers-market sourced. Hot, cold, and salad bar lunches are offered daily, including one milk (skim/chocolate skim/1%), sides, and house made soup (hot and cold lunches also include the salad bar). **Gluten and/or dairy free substitutions are available, but arrangements must be made ahead of time.**

Price: The cost of lunch is \$6.00. Students may still purchase an additional milk, at \$0.25 each. Extra entree portions are also available at \$2.25 each.

Ordering: Groves families will use the [Hot Lunch Online](https://grovesacademy.h1.hotlunchonline.net) website to order and pay for meals. Lunch can be ordered one month in advance and up to three days prior to the day of the meal. Last minute, **emergency lunch meals** can be placed online by **9:00 AM** the day of for an additional **\$1.00** fee. Students will be given a hot or cold lunch, subject to availability. If hot or cold lunch are not available, a salad bar option will be offered.

Groves Lunch Ordering Program: We can partner with you to make ordering a hassle-free experience! All you need to do is send a check to Groves Academy each month or you can choose to keep a credit card on file in your HLO account (\$6.00 for each day your child will be needing a school lunch). Our lunch coordinator will then have your child choose which lunch options they want and will order them personally, saving you time, and guaranteeing your child a school lunch everyday.

Refunds: Will not be given if your child is absent from school. Exceptions will include snow days and field trips.
