Sponsorship Guide

Groves Learning Organization is an educational ecosystem that empowers students to unleash their brilliance with expert literacy instruction for all students and supportive solutions for neurodiverse learners.

# 2022 Groves Gala

Groves Learning Organization (GLO) is an ecosystem of educational resources built from deep expertise rooted in literacy instruction, and a specific focus on challenges faced by neurodiverse learners.

Groves Literacy Partnerships (GLP) shares our evidence-based literacy instruction with fellow educators in the community so that all students learn to read.

Groves Academy is a renowned place of learning, where since 1972 neurodiverse students in grades 1-12 are empowered to unleash their confidence and fuel their success in school and beyond.

Groves Learning Center shares our proven methods to those who need them outside of our school—providing diagnostic assessments, one-to-one tutoring, speech-language services, and summer programs.

But, we cannot do it alone. We're asking you to join us for our 45<sup>th</sup> annual fundraising gala to help redefine the way our nation is taught, one student, one teacher, and one school at a time.
