## INSTITUTE FOR PROFESSIONAL LEARNING

## SEE THE IMPACT YOUR GIFT MADE AT GROVES ACADEMY!

During fiscal year 2018, which mirrors the 2017-18 school year, Groves Academy experienced incredible growth and continued to help transform the lives of thousands of students and their families. Thanks to your generosity, Groves Academy was able to provide critical financial aid to students through scholarships, support more students with diagnostic testing and tutoring in our Learning Center, and share evidence-based literacy practices with Twin Cities school partners. Thank you for supporting Groves Academy this year! You make a large and lasting impact.

# THANK YOU!
